Dear Supply Chain Professional

Are you up to date with all the latest information regarding items such Accountable Care Organizations? Do you how the supply chain will be impacted by healthcare reform? Are you using all same the “best practices” as your peers?

I would like to invite you to the California Association of Healthcare Purchasing and Material Managers (CAHPMM) 38th Annual Conference.

CAHPMM prides itself in providing quality, affordable education close to home. If your budget doesn't allow attendance at the national meetings, I feel the CAHPMM Conference is the perfect conference for top quality education and networking with peers that will fit most budgets. In fact, CAHPMM offers a number of scholarships for attendance. Contact me for more information or visit our website to apply.

This year's conference theme is “**Harvesting New Ideas**” and will be held at the Cliffs Resort in Shell Beach. Located on the beautiful Central Coast of California on **October 11-13, 2011**.

Our speakers will included nationally recognized experts in their fields, such as Rob Bowman and Michael Darling Vice Presidents, Enterprise Performance Solutions from Premier, Anthony Montagnolo, ECRI Institute Executive Vice President, Chief Operating Officer, Gary Herbst, Senior VP/CFO, Kaweah Delta Health-care District, Motivational Speaker Bobby Petrocelli and many more.

You can find out more about the conference by visiting our website at www.cahpmm.org

We hope you take a couple of days out of your busy schedule to join your peers for a couple days of great education and networking.

If you have any questions regarding CAHPMM or the Conference, please feel free to contact me directly.

Bob Cuthbertson, CAHPMM President

CAHPMM Announces Motivational Speaker Bobby Petrocelli to speak at 38th Annual Conference

“An Authentic Message with Life Changing Results”

Bobby Petrocelli, M.A., CSP – based out of Tampa, FL, Bobby Petrocelli is an engaging presenter, author, educator and coach. With almost 2 decades of professional speaking experience, he has become a leading voice. Bobby's contagious zest for life and sincere love for people, are communicated through his message. Those who experience him leave motivated by his awesome stories and refreshed by his charismatic personality. He never fails to captivate his audience with his expertise and powerful message. Bobby has been described as Real, Relatable, and Relevant.

Founder of his non-profit organization, 10 Seconds, Inc., Bobby has had the privilege of inspiring millions though personal, television, and radio appearances. He has worked with the NFL, Collegiate Teams, and Corporations. He has been featured on every major TV affiliate; MSNBC, Lifetime and The Family Channel. CAHPMM Goes Gold!

CAHPMM has achieved AHRMM Affiliated Gold Chapter Status. This is the first year CAHPMM has achieved this honor.

AHRMM's Chapter Affiliation Program provides chapters with the opportunity to promote their programs and events to AHRMM's more than 4,000 members. The chapters are recognized for their accomplishments through the AHRMM website and at the Annual Conference.

Chapters are evaluated based on their efforts in four categories: education, membership, chapter projects, and advancement and recognition. Based on the level of activities chapters are recognized in one of five levels: Standard, Bronze, Silver, Gold, and Diamond.

To participate in the program, the Chapter President must be a current AHRMM member, and the chapter is required to submit an Affiliation Agreement, a membership roster, and a list of current officers. To qualify for the Bronze, Silver, Gold, and Diamond levels, chapters must also achieve a specified number of points from the previous calendar year's activities and have a targeted percentage of its membership affiliated with the AHRMM national association.

CMRP Certified Materials & Resources

CMRP status provides both internal and external rewards. CMRPs enjoy the pride of recognition of being among the elite in a critical field of healthcare. And CMRP is a premier credential based on a sound assessment that provides distinction in an increasingly competitive marketplace.

The CMRP Program has three components:

- Eligibility requirements that are a blend of education and experience and profile the individual who is likely to be successful on the Certification Examination
- A 110-item multiple-choice Certification Examination that tests tasks that are performed regularly in practice and are considered important to competent practice; and
- A renewal requirement. Certification is valid for three years at which time it must be renewed through retaking and passing the Certification Examination or documenting 45 contact hours of continuing professional education.

Candidate Handbook and Application The CMRP Candidate Handbook and Application contains eligibility requirements, a complete content outline for the Examination, sample test items, instructions on applying for the Examination, and an application. Download the pdf file of the CMRP Candidate Handbook and Application (24 pages), or call 913/895-4600 to request a copy.

Self Assessment Examination (SAE) The CMRP Self-Assessment Examination is an online study tool created to simulate the Certification Examination in format, content and cognitive levels. Take the SAE Online Quiz Demo for CMRP now at www.ahrmm.org.

About us

The California Association of Healthcare Purchasing and Material Management (CAHPMM) is a chapter of the Association for Healthcare Resource & Material Management (AHRMM), a division of the American Hospital Association. CAHPMM was established in 1973.

CAHPMM is a membership group for healthcare supply chain professionals located in the western states area. CAHPMM strives to provide affordable education, information and resources necessary for its members to remain at the top of their field and consistently add value to their organizations.

Participation is open to all individuals involved in the materials functions of healthcare facilities, or who are active in the healthcare materials supply chain, including hospital and/or clinic staff, manufacturers, vendors, distributors, and group purchasing organizations.

CAHPMM holds an Annual Conference every fall. The conference educates attendees on the latest technology, legislative issues, best practices, and cost savings ideas, in addition to providing an opportunity to network with peers.
