

Building the Hospital Supplier Diversity Ecosystem

Moving Beyond the Portal

Presentation Description

In this presentation, I will delve into the pivotal role of supplier diversity within California's health care landscape. We will explore the impact of legislation such as AB 962 and provide an overview of the Hospital Supplier Diversity Reporting Program for the California Department of Health Care Access and Information (HCAI).

Additionally, we will shine a light on HASC and CLC's current efforts to help our hospital members seeking to enhance their commitment to diversity, equity and inclusion in their supply chains. Join me as we navigate the hospital supplier diversity ecosystem by moving beyond the portal.

Presentation Objectives

- Provide an overview of regulatory requirements for AB962 compliance and California Department of Health Care Access and Information (HCAI) reporting.
- Discuss Hospital Association of Southern California (HASC) and Communities Lifting Communities' (CLC) Supplier Diversity Initiative.
- Steps for developing and implementing a supplier diversity program.
